ABOUT US

WHERE PRECISION MEETS INNOVATION

At TecoMaco precision and innovation drive everything we do. A proud subsidiary of TecoMaco China Co., Ltd., we've built a reputation as one of the most successful providers of **custom-made fasteners** and other products.

WE DESIGN - WE PROTOTYPE - WE PRODUCE

OUR FACTORY

With over 20 years of expertise in design, R&D, and manufacturing, our journey began in Tianjin, China, where we established our first brand in 2013. To enhance global reach, we expanded to Vietnam in 2019, setting up a 30,000 m² factory in Cam Khe Industrial Park, Phu Tho Province. Equipped with advanced machinery and over 300 skilled employees, we deliver high-quality solutions tailored to meet diverse industrial needs.

30,000 M²

EXCLUSIVE SERVICES

FOR OUR CUSTOMERS

At TecoMaco, we provide extra value for our customers, with custom machining and specialized hardware accessories, saving you time and effort while maximizing your success.

HARDWARE ACCESSORIES

Comprehensive hardware solutions crafted to meet diverse industrial demands, featuring machining capabilities like turning, milling, stamping, electroplating, and more.

GENERAL MACHINING

Delivering exceptional precision and consistency for both prototypes and full-scale production with expertise in CNC machining, including CNC lathing, milling, and turning.

HOW WE WORK

From concept to completion, TecoMaco ensures every step of the process is **seamless, efficient, and focused on delivering excellence.**

WHY CHOOSE TECOMACO

COMPETITIVE PRICING

Our manufacturing operations in Vietnam allow you to gain access to quality fasteners and machining solutions at a fraction of the cost compared to other markets.

REDUCED TARIFF BENEFITS

Manufacturing in Vietnam offers a strategic advantage by reducing tariffs and providing favorable trade benefits when exporting to major markets such as the USA and Europe.

CUSTOM SOLUTIONS

We offer tailored fasteners to meet unique client needs across industries, ensuring international standards and precision.

ADVANCED FACILITIES

TecoMaco is committed to delivering durable, high-quality products, making us a trusted partner in U.S., European, and Asian markets.
